

Barton College

Tryout Participation Form

The purpose of this document is to confirm your understanding of the tryout process used by the Department of Intercollegiate Athletics at Barton College relative to NCAA rules and medical insurance coverage. Under NCAA rules as a prospective student-athlete (PSA) or as a student currently enrolled at Barton College, you are permitted to engage in one tryout session of up to two hours in an academic year. The additional rules relative to this type of tryout will be implied by our head coach in your sport. You are not covered under the medical insurance policy of Barton College for any injuries sustained during a tryout session. If you are placed on our team's NCAA Squad List and engage in practices or competition after being placed on the list, you will be covered under our departmental provisions which apply to our insurance policy. This document will be kept on file by the head coach for the team for which you have participated in the tryout.
