Training Session Details

- The Charlotte 3v3 Academy training sessions will include both technical skill development and 3v3 games to prepare players for the 3v3 tournament.
- Training sessions will be organized by a nationally qualified director.
- 3v3 games are played on a small field with small goals and no goalkeeper.
- Small-sided soccer benefits include more touches, improved decision-making, faster speed-of-play.
- Great off-season training to improve individual player skills.
