Chicago Elite is proud to announce "Chicago Elite Beach Youth Academy." In June, boys and girls, ages 7-14, can participate! Playing beach/sand volleyball is a great way for players to build athletic stamina and have fun outdoors enjoying the summer weather! Chicago Elite is offering beach/sand opportunities for junior athletes, having had athletes in the finals of many USAV and AAU Beach competitions, with high national finishes (4- 3rd place finishes, 5- 1st place finishes and and a couple teams which qualified for Cali and Milwaukee). Come join the fun!

We have revamped our summer beach volleyball program to accommodate boys and girls of all ages. NCAA states "Beach Volleyball" is an emerging sport for women and has received the go ahead to become an official collegiate sport in 2011! Aside from our current coaching staff, we will be having guest appearances from some influential beach coaches.

Chicago Elite Beach Club will provide participants training in all aspects of the beach volleyball game-- from simple drills and skills execution to Plyometric **exercise** and strategy--under a more organized structure. Registration is open now!

Each session will end with a tournament held at Montrose Beach on either Saturday, 7/26 (7th & 8th Graders) or Sunday, 7/27 (3rd-6th Grade)
