SOL Summer of Learning Tally Chart – 2017

How it works:

1. Read from June 10th - August 27th.
2. Track your time. Read for 15 minutes and darken a box. Double the time for reading in your non-native language.
3. Submit your Tally Chart and sponsor pledges by Sept. 8th for level prizes and chances to win grand prizes! Get one raffle ticket for participating, and an additional ticket for every 10 hours of reading time.
4. CELEBRATE! SOL Party on September 29.

Middle School students: Access forms by signing in at http://classroom.google.com and clicking on the SOL classroom. Turn in paper form when school starts.

Every 10 hours of reading time = 1 raffle ticket

Complete Spring 2017

Student's Name: _____

Teacher: _____

Your Summer Reading Goal: _____ Hours

What counts as reading?

- Read to yourself or others.
- Listen to someone read to you.
- Books, magazines/newspapers, eReaders, RazKids (passwords still work!), etc. If it's reading, it counts!
- Attend a reading program at the public library or story time at a local bookstore.

For suggestions and additional tally charts: Visit CollinswoodPTA.com/content/SOL-reading-program.
