Campers will be split by age group, gender and skill level if necessary to ensure all campers are challenged to be better players. Each group will be with new coach every day to make sure they have a chance to interact with all the camp coaches on staff and learn different parts of the game every day.

DAILY CAMP SCHEDULE:

9:00 AM – All campers together for Agility and Technical Dribbling

10:00 AM – Campers will split with their groups and go to their coach for the new topic

11:00 AM – Campers will all participate in small-sided games

12:00 PM- Campers to be picked up from camp
Breaks will be taken between each of the above stages.

At the end of every day, campers will be split up by age group and gender if necessary to play small sided games to try and put the practice into action in a game vs other campers.
