Great LNSC Successes as the Season Wraps Up

For all but a few LNSC teams, we have now come to the holiday break. Team trainings will cease for all teams who do not have a December event, which is generally limited to the older NPL teams and older teams playing in December showcase tournaments. The spring season training will resume in early to mid-January. During this break period, every player in LNSC should receive a season evaluation from their coach and have the opportunity to sit down and discuss the season as well as future goals and expectations. While teams are on break, there will be no mandatory team events, although there are many optional programs event events available for players that I will outline below. But by and large, the next six weeks is for players and families to enjoy the holidays, rest and recharge.

I would be remiss, however, without highlighting the many fantastic team achievements that we have seen in the past month.

Winter Training Options

While the month of December is a time for family and for many, a break from soccer, we continue to try and offer those players and families who wish to continue their individual development great opportunities to train. Below is a synopsis of the opportunities that we are offering our players during December and early January.

Indoor Skills Sessions

We will be offering hour-long indoor sessions that focus on individual player skill development. Footwork, juggling, quickness, balance and fitness will be targeted during these sessions. The sessions cost \$5 a piece (payable at the session) and although the sessions are geared toward the individual player, they will be offered for specific ages at specific times. These sessions are fantastic player-development opportunities and we encourage players from ALL BRANCHES to attend. The sessions are limited to a maximum of 20 players and are first come, first serve – you can sign up at the following link:

Please check the sign-up website periodically as we will continually be adding more locations/dates/times in the coming days.

Striker School

What is the most sought-after, important aspect of the game of soccer? Many will argue that it is goal scoring. Striker school will offer players and in depth tutorial on some critical skills that make players proficient at scoring goals. In the 2-day, 4-hour clinic, players (U12-U14) will explore various aspects of ball-striking, situational recognition and creativity in finishing. The cost is \$80 and will be limited to 16 players. You can sign up at the following link:

Goal Keeping Camp

The winter goal keeping camp is underway and will run through the next few weeks. Anyone interested in joining should contact our goal keeping director, Jason Strange:

LNSC Gear for the Holidays

LNSC spirit wear can make great holiday gifts and can be ordered from Soccer.com by using the following link:

A Friendly Reminder

The last payment for club fees were due on October 1. Thank you to everyone who has taken care of these. As is club policy, players whose fees are more than 60 days past due may have their cards pulled – if you have not taken care of these fees, please do so as soon as possible or contact our office if you need to make alternate arrangements.

LNSC Participates in the Mooresville Christmas Parade

Member, players and coaches of LNSC took part in the Annual City of Mooresville Christmas Parade this past Tuesday. They donned their Santa hats and threw out candy to local children while singing Christmas carols on top of the LNSC Float. A fun festive time was had by all on what is one of the biggest Christmas parades ever!!

This is What a Club is All About

As the season comes to an end, we would like to acknowledge the LNSC Big Brothers & Sisters that have contributed their time to help mentor our younger teams. These players have shown great leadership skills, commitment and shared their love for the game! We are very proud and thankful to them for being excellent role models to our young players.

Peyton Pemberton and Gina Franco - U9 Girls, Paige Manzi - U10 Girls, Erin Wright - U11
Eclipse Flash, Conor Savageau and Jacob Grice - 01 Force.

We would love to see our peer mentoring program grow so please let us know if you would be interested in becoming a LNSC Brother or Sister, it's a very rewarding experience for all involved.
