# RULES OF PLAY

This event will follow the 2019-2021 USAV Indoor Domestic Competition Regulations. For 2019-2021, we will follow the previous rule regarding positional and rotational faults and not use the USAV Test Rules: 7.3.5.3, 7.5.4 and 7.7.2.

## Match Format / Warm-up Procedures:

All divisions will play best of 3-set formats. Divisions that have 3-team pool(s) with no cross-over match in combination with 4 team pools in the same division will play all 3 sets to 25. Pool finish will be based on set percentage as all 3 sets will count for finish placement. 3-team pools are not our recommended format and we will do everything we can to avoid them. However, there are times where it is completely unavoidable.

All cross-over and challenge matches will be “match play”, best of 3 sets.

Matches will move ahead of schedule if time allows with the following exception: Warm-ups for all matches will not begin more than 25 minutes ahead of schedule.

All warm-ups will be 2-4-4 (2 min. shared ball handling, first 4 min. court-time for serving team & last 4 min. court-time for receiving team). Teams must serve within their court-time. The team off the court should assist in ball-shagging during the on-court teams' warm-up.

Match formats for each of the divisions will be available online at [www.advancedeventsystems.com](http://www.advancedeventsystems.com).

## Officials and Team Officiating Responsibilities

The Head Official will schedule a First Referee for each match. Work teams will need to provide a Second Referee, Official Scorer, Visual Scorer, Libero Tracker and 2 Line Judges. **An adult on the official roster needs to be courtside at all times.** The work team needs to report to the Head Official no later than the beginning of the serving team's warm-up. For each minute the work team is late or incomplete, one point will be given to their next opponent (up to 25-0 forfeit). Each work team must have an adult present and identified to the R1 during a team's work assignment.

## Pre-Match Protocol

Prior to the start of the 1st set, both full teams will line up behind the service line. At the signal of the head official, they will proceed to the center line to shake hands with their opponents. The starting line-up will remain on the court for the line-up check, and the libero shall be waived in by the head official.

## Step-In-Rule

The Serve Step In Rule will only be used in the 11s division. 12s and 13s will serve from behind the baseline. For the 11s division, servers can start in front of the endline and serve from approximately six feet in front of the endline: (there will be tape marking the step-in serve area). The step-in serve can be used for both overhand and underhand serving.

There will be a maximum of two step-in serve points per term of service. After two step-in points have been scored in a term of service, all subsequent serves for that term of serves must be from behind the endline. If a referee feels that a team is taking advantage of this rule, the referee can move the player back behind the normal service line.

## **Ties in Pool Play – DO NOT LEAVE your court area until your pool has been decided!!!**

The Tie Breaker Procedure outlined below will only be enforced in the event of a 3-way tie in which one of the teams would be eliminated from moving into the Gold Division. For all 2-way ties, the team that won the pool play match (head to head) between the two teams tied for position will take the higher position.

### **3-way ties for non-gold division placement will be decided by the following CRITERIA:**

- Match %: matches won divided by matches played
- Set %: sets won divided by sets played
- Point %: points scored divided by the total points scored by the team's opponents in that pool
- Coin Flip

### **3-way ties for teams all moving onto gold division placement will be decided with CRITERIA above. 3-way ties for 1st place, with 2 teams moving into the Gold/Championship Division:**

The teams will be seeded using the CRITERIA above, and the team with the greater set %/point % shall be awarded first place. The other two teams shall play one 15-point set (switch at 8) for the remaining playoff position. The team that wins the playoff set will be awarded 2nd, the loser will be awarded 3rd. The team that was awarded first will provide the work team for the play-off.

### **3-way ties for 2nd place, with 2 teams moving into the Gold/Championship Division**

The teams will be seeded using the CRITERIA above. The team seeded 1st will be the bye team and play the winner of the set between the two remaining teams. The team that was seeded 1st will provide the work team for the 1st playoff set. The loser of the 1st playoff set, will be the work team for the 2nd playoff set.

**If, due to formatting, there are any other tie scenarios, the procedure outlined in the USAV 2017-2020 Rule Book will be followed.**

*\*\*If one of the teams in a 3-way tied pool leaves the site before the determination that a tie-break is necessary, that team will automatically become the lowest placed team (among the teams that are tied) and the remaining 2 teams will play one tie-breaking set to 15 (switch at 8), if needed, with a work team to be assigned.*
