## Academy Training Program

### NASA United Academy Training Program

NASA United FC offers an Academy Training Program for U8 - U18 age divisions. The program offers the highest quality training with the latest techniques being used by **US Soccer Academy**.

Players will run through an intense training curriculum that will include a variety of foot-skills and possession drills to enhance their ball control and dribbling ability. Players will be challenged during every practice session and their performance level will increase in a structured environment. By training and competing with dedicated, high level players, immediate improvement is guaranteed. Our training program is not intended to interfere with current team or club commitments. See below for more information on the Academy Training program:

- Highest quality training using the latest techniques
- Training curriculum overseen by the Director of Coaching
- Great competition with the top players in each age group
- Train 2 times per week during the Spring and Fall Seasons
- Each season runs for 10 weeks
- Guaranteed improvement
- NASA United training t-shirt and shorts included

Cost: \$375 per season (\$650 full year)
