SISA – Lake Norman Soccer Club Future Stars Program | Fall 2017

Lake Norman Soccer Club (LNSC) is excited to offer SISA players an opportunity for extra practice with our professional coaches. Players will be coached on the key fundamental skills of the game, through the use of exercises, fun games, small-sided play and scrimmages. In addition to the soccer practices, players will also receive a t-shirt.

WHO IS THE PROGRAM FOR? Our 'Future Stars' program is designed for current SISA players, aged 7-11, and who are wanting a taste of more competitive soccer which focuses on individual skill development, small group tactics, and preparation for Lake Norman Soccer Club travel teams.
