TRYOUTS

OFFICE USE ONLY

Why should I choose TopFlight?

TopFlight Volleyball has experienced coaches that have played at the collegiate level or have coached at the collegiate level. Even though our coaches have years of experience playing volleyball, they are still required to attend over thirty hours of on court training as well as classroom training every year. TFV also offers a training regime that will allow every member to become a positive role model on and off the court.

Tryouts/Contracts:

We encourage all parents to stay during tryouts. Contracts will be at tryouts for parents to review and must be filled out (a deposit is also required at this time) once your child is offered a spot on one of our teams. Prior to your child's tryout session. If you need assistance or have questions about the contracts please get with a TFV Staff Member. This season TFV will offer teams starting at the age of 10 and will go up to the age of 18. Each age division will have different levels starting at Local (\$975), Regional (\$2000), Semi-National (\$2850), and National (\$3200).

Fundraisers:

TFV will offer fundraisers to help cover the cost of club fees. In some cases, these fundraisers can pay off a participants total cost for the club season. Monthly payment arrangements can be made for any remaining balance.
