

## COVID-19 SAFETY AND RESPONSE PLAN SUMMER 2022

June 26, 2022

We know it is critical to keep you updated on what we are implementing for Summer 2022. We want you to understand and feel confident in the steps we are taking to minimize risk while maximizing fun.

### **PRIOR TO ARRIVING AT CAMP:**

#### **ALL CAMPERS ARE REQUIRED TO PROVIDE EVIDENCE OF NEGATIVE PCR COVID-19 TEST**

We want to be clear that all campers need to arrive at camp with a negative PCR Covid-19 test completed prior to arrival. In order to make sure results are as relevant as possible, this test must be administered no more than 4 days before August 7<sup>th</sup>. Documentation of this test must be handed in at registration the first day of camp. This test can be an at-home test that you purchased at a drugstore, and results can be presented via a picture on your phone. (Please record camper's name and date on the test. Take a photo. Bring copy of that photo or your phone with the photo at check-in.)

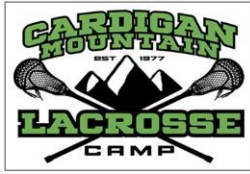

**Any one that has tested positive in the 4 days prior to camp will not be able allowed to registered or attend.**

**PROVIDE COVID-19 VACCINATION RECORD IF APPLICABLE:** All campers 9 and older are requested to be vaccinated against Covid-19. It would be helpful for us to have a copy of your vaccination record. (Please note that all coaches/staff are required to be fully vaccinated to be employed at CMLC.) Vaccinated campers and coaches/staff are all required to provide a negative PCR Covid test as stated above.

**PRE-CAMP PROTOCOLS:** Staying safe at camp begins by staying safe at home. We ask that all campers engage in "low risk pre-camp behavior". This includes avoiding unnecessary interactions outside of your family group to minimize the potential exposure as much as possible. We will require all families to complete a documented pre-camp screening which will cover the ten days prior to arrival at camp. This form will inquire whether anyone in the family is showing symptoms, has experienced a fever, or been exposed to someone that has tested positive for Covid.

***For the safety of others Players/Coaches will refrain from participating in and attending camp should they be symptomatic or have had exposure to an individual that has recently tested positive for Covid-19.***

**DO NOT COME TO CAMP IF YOU ARE NOT FEELING WELL.**

## COVID-19 SAFETY AND RESPONSE PLAN SUMMER 2022

**CAMP ARRIVAL:** Arrival Window for Camp on August 7, 2022: **OPENING DAY: August 7<sup>th</sup>**

### Arrival times:

**Grade Levels: 9-12 at 1:15 pm**

**Grade Levels: 7 & 8 at 2:00 pm**

Parents will be allowed a 30-minute window on campus to assist their sons in settling in.

**ONCE CAMP IS IN SESSION:** We will do a wellness check each day. If any camper develops symptoms of Covid-19 he will be isolated and tested. We will have isolated housing available. However, IF A POSITIVE TEST OCCURS PARENTS OR STATED CONTACTS NEED TO BE AVAILABLE TO COME AND PICK-UP YOUR SON. We are asking all families to plan ahead just in case the situation arises.

**MASKS ARE OPTIONAL: Campers and staff will need not be required to wear masks when in an indoor setting.**

**IMPORTANT- EXTRA NECESSARY ITEM TO BRING: A LARGE SPORT WATER BOTTLE**

**CONTAINER WITH YOUR NAME ON IT.** (Water is available on all fields-this year campers will need a large sports water bottle container to fill instead of using the hoses to drink out of!)

*We are looking forward to August 7<sup>th</sup> and being back on the lacrosse fields at Cardigan. Parents and Campers, we are hopeful you will understand and support the protocols set in place for a safe camp experience for all.*
