

COVID-19 Protocol for Spring 2021 season

1. Players **MUST** wear a face mask or face covering. This includes during games.
2. CISC takes no responsibility for players participating. By coming out to the fields and playing, players are agreeing to take full responsibility for their health and safety. Every player must complete the COVID-19 Waiver, during registration.
3. If players have had any symptoms of COVID-19, please do not come out and play. We need for players to be responsible and stay home.
4. Players do not approach the fields until 10 minutes before their game.
5. After the game, please collect all belongings and move to another area so the next team can prepare.
6. Do not congregate in the Parking lot.
7. Do not congregate at the fields. Within your team only.
8. There will be no benches available for the foreseeable future. However, players will still be on their assigned side of the field as normal. Please do not bring chairs to sit on and socially distance.
9. Soccer is a contact sport. There will be contact during games.
10. There will be no approaching a player or game official in any aggressive manner. One strike rule and the player will be asked to leave the field and the park.
11. Players are encouraged to bring hand sanitizer and use it before, at half-time and after their game.
12. We will **NOT** be doing temperature checks. If you have had a temperature of 100.1, be responsible and stay home. We do encourage checking your own temperature on a regular basis.
