

Tie Breaker Procedure

Two Way Ties

All two-way ties will be decided by head-to-head result. If a team won most head-to-head sets in pool play, that team will be the higher finisher. If the head-to-head resulted in a split, the winner will be determined by cumulative pool point differential. If the point differential is the same, then the winner will be determined by head-to-head point differential. If a tie still exists, a coin flip will determine places.

All Other Ties

All three-way ties will be decided by cumulative pool point differential. If a tie still exists, a coin flip will determine the places.

All 4 team (or greater) pools will play 2 games to 25, and all 3 team pools will play 3 games to 25. No Cap. All Bracket games will be best 2 out of 3 games.
