Players, especially at this age, should be encouraged to **dribble**, **dribble**, **dribble**,...... Just kicking the ball to escape pressure should NEVER be encouraged at this age.

How many times a game do your young players attempt to **dribble into space**, away from pressure? ...versus just kicking the ball (to the other team). Instead of suggesting a 'kick', why not attempt a soccer skill or move,....... Pull-back, V, Scissors, Cryuff, Step-over, Simple fake, etc.
