We want to host events so that all the young athletes are able to [play volleyball and we want all our guests at the MSC to be safe. So we have adopted the following policies, incorporating guidance from the CDC and the Waukesha County Health Department:

VACCINATED GUESTS

Fully Vaccinated guests do not need to wear a mask, but may do so at their discretion. We thank you for doing your part to help make a safe and healthy playing environment for the kids.

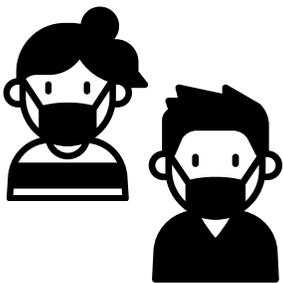

UNVACCINATED GUESTS

Unvaccinated guests, aged 12 and above, are asked to wear an acceptable facemask to help protect themselves and others from the potential spread of this noxious virus. This includes players and spectators.

FEELING SICK

Anyone who is sick is prohibited from entering the building. Anyone who has not been vaccinated and who has been in recent close contact with someone who tested positive for the Covid-19 virus is prohibited from entering the building.

CHILDREN UNDER 12

Until vaccines are made available to children under the age of 12, we require players and spectators aged 11 and under to wear a mask.

All other guests, including players, coaches and spectators, who are not vaccinated and choose to not wear a mask assume all risks associated with the potential spread of the Covid.

Enforcement - The requirement to wear a mask if unvaccinated shall be enforced by your own set of ethics and morals.
