Welcome to North Carolina Volleyball Academy

Academy is entering its 9th season after 8-seasons of great success. With its short history, Academy has become one of the largest and most competitive volleyball clubs in the Region. Academy's world-class coaching team, unique Academy-teaching model and family-friendly environment differentiate itself from other clubs in the Region and nationwide. Led by Coach Li, an Olympic/national coach, Coach Bunn, who has 20-year D1 experience, Academy's coaching team is proudly presented as the BEST in the nation. Healthy club culture of openness, diversity and honesty nurture all aspects of growth/development for student athletes and coaching staff.

In 2017, Academy moves to its own 9-court premium facility, which is THE largest dedicated volleyball gym in the Region. It is centrally located, fully conditioned, and fully equipped for training, where families are able to enjoy volleyball experiences of their young athletes.

To learn and experience more about Academy, we highly recommend you,

1. Attend one of [Info/Parents Sessions](#)
2. Visit and read the [Tryouts](#) section on our website
3. Attend at least one of our [Open Gyms](#)
4. Register for tryouts, come and experience the difference of Academy!

This Team Guide will help you learn more about our club program. We strive to use plain, easy-to-understand, less marketing language, providing you major details you need to know while keeping short reading length.

Comprehensive Training Program

Training quality is the #1 element distinguishing Academy from other clubs. We offer comprehensive and consistent training program, which is well designed by our top coaches. Our age/level appropriate training approach ensures the student-athletes gain the most benefits out of the training they receive during the limited period.

Team Practice: Teams practice 2-3 times a week depending on age/level of the team (see Team Guide for details).

Competition Practice: For top teams (most Diamond/Crystal), competition practices are scheduled on Sundays 2-4P(see [Calendar](#) for details) to provide more game-like scrimmages to increase the teams competitive edge, and optimize team strategies and rotations.

Position Training: These are included in the team practices and mandatory for top teams.

Position Clinics: These clinics are included for all non-national teams (including 13 Diamond/Crystal) on Sundays 4-6P(see [Calendar](#) for details).

Academy Game Day: Club scrimmages help our teams develop the competitiveness for the upcoming events.

Educational Sessions: Academy offers education sessions including college recruiting, health seminars, referee clinics, injury prevention workshops, etc. to help players in their athletic performance(see [Calendar](#) for details).

Optional Training Options:

Power Jump: Designed to help players improve vertical explosiveness, agility, balance, conditioning and overall strength(registration required).

Holiday Camps: Offered during holidays when teams do not practice but players still look for developing skills.

Private Lessons: Academy coaches offer private or small-group lessons upon the requests.

Academy Travel Policy

Academy understands the balance between competitiveness and family-support of junior sports. We offer two travel options depending the age and level of the teams, which are more family friendly than other clubs in the area.

Option 1: Family-Travel: players travel and stay with their families. Eligible teams: All 12-14's teams plus 15s/16s/17s regional plus teams including 15 Pearl/15 Ruby/15 Sapphire/16 Pearl/16 Ruby/16 Sapphire, and 17 Jade

Option 2: Team-Travel: players travel and stay with their teams. Travel costs (transportations & hotel rooms) are included for some events (see Team Guides for details). Eligible teams: All 15-18's national teams.

Uniform & Academy Shop

In order to help families reduce the season-to-season uniform costs, we minimize the changes we have to make every season and offer uniform packages that right meet their practice/competition needs.

1. New players will purchase uniform package that includes Academy branded items.
2. Returning players have the privilege to keep the same jersey numbers so they do not have to buy new jerseys.
3. Returning players **MUST** have all package items, which can be ordered independently.
4. Onsite shop offers Academy logo brands such as Mizuno, Under Armour, and accepts cash, and credit cards.

Payment Schedule

Team dues are paid in either 2 or 3 standard installations, varying by team. Please check your Team Guide or your online account for details. Requests for special payment schedule will be evaluated and approved by club director.
