

Reconnecting Youth and CAST Program Implementation Costs

We have a robust training and support framework, based on the latest adult learning science, for all members of your prevention/intervention team, with the aim of program sustainability in your school, district or agency. We are also happy to customize the support experience to your needs.

Below, our Training and Technical Assistance Framework shows the services and supports we recommend, each year, for any client using the Reconnecting Youth and/or CAST Program. Visit our [website](#) for more detailed descriptions of our trainings and support services.

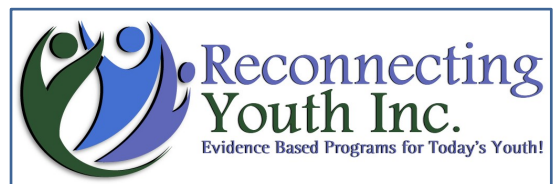

<i>Reconnecting Youth and CAST</i> Training and Technical Assistance Framework			
	YEAR 1	YEAR 2-3	YEAR 4 +
Facilitator Training Series	X		X
Coordinator Training	X		
Family Engagement Training	X		
Booster Training		X	X
Free phone/email Consultation	X	X	X
Upgraded Technical Support	X	X	X

The following pages provide costs per service and materials, as well as examples of cost-saving Bundles for small- to large-sized implementation plans. For customized support or a tailored Training Bundle, please [contact us](#) to discuss your needs.

Training and Technical Assistance Costs

To achieve program goals and objectives, evidence-based programs need to be implemented as designed. This is what is referred to as implementation fidelity. Our [Training and TA Framework](#) is strategically designed to support your success from start-up through implementation, evaluation and reporting to ongoing program sustainability.

Training			
REQUIRED	Facilitator Training	<i>Curriculum Kit required. Purchase separately.</i>	\$1000
	Coordinator Training	<i>Facilitator Training Certificate required.</i>	\$800
	Family Engagement	<i>Includes all Materials.</i>	\$500
ANNUAL	Booster Training	<i>Choose one per year for re-Certification.</i>	\$250

As always, we are dedicated to offering free TA (via email/phone) for the year following your [Facilitator Training](#). Throughout the life of your grant or implementation plan, however, your support needs will evolve. Using a variety of delivery methods, and individualized for the needs of your site, our TA Services evolve with you.

Technical Assistance and Support Services		
Evaluation and Reporting	<i>Digital data collection, analysis and reports for each completed class/group. Per facilitator or site/year.</i>	\$500
On-site Coaching	<i>Includes group supervision and/or individual coaching. Daily rate.</i>	\$1500
Sustainability Planning	<i>Includes program stabilization, a logic model, grant alerts setup and community-needs assessment. Hourly rate.</i>	\$250
Live Remote Support	<i>Dedicated video-consultation with an experienced Trainer. Hourly rate.</i>	\$100
Custom Solutions	<i>Innovative approaches to meet the needs of your unique situation. Contact us to discuss options.</i>	Varies

Cost-Saving Training Bundles

Quality of implementation matters, especially for evidence-based programs. Get the most from our programs and give the best to your youth and community. By bundling our trainings and technical assistance, not only will you create an infrastructure that supports the best programming for years to come, you will **save money!** Again, if you'd like a customized bundle, please just ask.

Materials

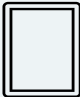

Facilitator Materials

The *RY Curriculum Set* and *CAST Curriculum Kit* are required at the Facilitator Training. Both Curricula were updated in 2020, and now come with digital and printed resources to aid in program delivery in any setting: virtual, in-person or blended.

Student Materials

The *RY Student Workbook* and *CAST Student Notebook* are consumable and often important for program graduates to keep to remember the skills and support gained in their time in group. Please budget for one per youth, with 12 students per RY class and 8 students per CAST group.

Our **paperback** student materials are now sold individually only. For those who prefer a **digital** option, both the *RY Student Workbook* and the *CAST Student Notebook* are available in a pdf fillable format, providing an environmentally-friendly and cost-saving option for larger implementation sites. Unlimited Access Digital Licenses are sold in either 6-month or 1-year lengths, with limitless downloads (equaling \$25.50 or less each).

Materials			
REQUIRED	Curriculum Kit <i>Includes all teaching materials for one Facilitator.</i>		\$500
