

# UPGRADED --- **TECHNICAL SUPPORT**

*For Successful RY & CAST Programs*

## OUR PROMISE

---

*As always, we are dedicated to offering free Technical Assistance, via email or phone, for the year following your Facilitator Training Series.*

*Throughout the life of your grant or implementation plan, however, your support needs may evolve. That's why we are now offering **Upgraded TA & Support Services**, using a variety of delivery methods, and individualized for your team.*

# OUR SERVICES

---

## ✓ Consultation

*Phone and email Consultations are always FREE for the year after you complete a Facilitator Training Series with us. Purchase the Pro Facilitator Recertification Package and receive another complimentary year of Consultation. **FREE***

## ✓ Sustainability Planning

*Schedule a meeting with our Leadership Team to plot out a Sustainability Plan, including program stabilization, preparing a logic model, Grant Alerts setup and a community needs assessment. **\$250/hr***

## ✓ Live Remote Support

*Live support is available by videoconference to meet the needs of your team. Schedule weekly or monthly consultation with our experienced Trainers for individual or group guidance and support. **\$100/hr***

## ✓ On-site Coaching

*Invite us to your town! We help you excel when we can offer in-person coaching to meet your implementation needs, including group supervision and individual coaching for your team members. **\$1500/day***

## ✓ Evaluation Services

*To document the impact of your program and satisfy any grant requirements, our Evaluation Services are indispensable. We'll support you in collecting process and outcome evaluations for each completed RY class or CAST group. You'll receive reports documenting changes in your students' knowledge, attitude, and behavior after completing the RY or CAST Program. **\$500/Cohort Class/Group***

## ✓ Custom solutions

*Our team of experts is poised to support you with innovative approaches that meet your needs. **Variable***

# OUR SUPPORT FRAMEWORK

*We have a robust training and support framework, based on the latest adult learning science, for all members of your prevention/intervention team with the aim of program sustainability in your school, district or agency. We are also happy to customize the support experience to your needs. Just ask!*

|  | YEAR 1 | YEAR 2 - 3 | YEAR 4 + |
|--|--------|------------|----------|
| Facilitator Training Series                | X      |            | X        |
| Coordinator Training                       | X      |            |          |
| Family Engagement Training                 | X      |            |          |

| Free phone/email Consultation              | X      | X          | X        |
| Upgraded Technical Support                 | X      | X          | X        |

# WHY UPGRADE?

---

## **Support When You Need It**

*Online, in person and on-demand support, when and how you need it.*

## **Sustain Your Program**

*Your Stakeholders want to see results. Create an infrastructure that supports the best programming for years to come.*

## **Improve Student Results**

*Quality of implementation matters, even – and maybe especially – for evidence-based programs. Get the most from our programs and give the best to your youth and community.*
