WHAT IS CLUB VOLLEYBALL AND WHY PLAY?

Club volleyball gives an athlete the opportunity to play the sport beyond their high school or middle school season. This travel program creates teams based on similar ability, position, and desired level of competition to allow for continued success and the ability to reach an athlete's highest potential.

Those who are interested in playing at the collegiate level must compete at the club level to participate in year-round volleyball, build mental and physical strength in an individual and team setting, and get seen by collegiate recruiters at travel events.

Club volleyball is also offered to those who enjoy the sport, want to build lifelong friendships, and find passion in the competition during practices and at tournaments. Our club strives to offer several competitive levels for athletes ages 18 and under.

BENEFITS OF ECJVC

MARTIN FACILITIES

ECJVC is housed at our Martin facilities in Greenville, NC. Our club has two 3-court facilities next door to one another to allow for multiple practices, camps/clinics, private lessons, and tournament hosting.

TRAINING & STRUCTURE ACROSS ALL AGE GROUPS

The success of ECJVC and our athletes starts with early training of mechanics and creating all-skills players. We have built a strong technical manual for our coaches to teach skill cues the same from ages 10 to 18! We have found that developing a sound skill set early with repetition and structure has created phenomenal athletes as they continue through our program.

STRENGTH AND CONDITIONING

ECJVC understands how important training off the volleyball court is to a committed, high-level athlete. Our Premier and National level team practices are 2.5 hours to incorporate strength, jump, endurance, and agility training into practices.

BENEFITS OF ECJVC

All team practices will not only focus on volleyball drills and mechanics on the court but also allow for development of the entire athlete through plyometric training, core strength, muscular endurance, and overall physical and mental improvements.

FREE SKILL CLINICS

Those who commit to an ECJVC team at any level will be given the opportunity to participate in additional skill clinics throughout the year. The athlete will be able to work with different ECJVC coaches and other ECJVC athletes who are continuing to improve their mechanics, skill set, and speed with additional repetitions. Athletes attending the clinics will be grouped by ability and age to receive proper instruction necessary for individual athlete focus and improvement.

CLUB COHESION

ECJVC is strongly known for its unity and inclusiveness of all athletes and coaches. Teams of similar age/ability work together often during season to cross train with all our coaches and athletes on other teams. Our directors work

BENEFITS OF ECJVC

tirelessly to help coaches, athletes, and teams improve daily through evaluation, video analysis, and group discussion. Coaches meet often to discuss successful drills, plays, and additional feedback to help everyone continue to develop as a member of a team and our program. Our coaches will know you by name, and you will feel a part of our family!

RECRUITING ASSISTANCE

Executive Director, Kelley Krainiak, is also the Recruiting Coordinator for ECJVC. She has trained and assisted athletes through the recruiting process every year with our program. Any athlete interested in playing at the next level should contact Coach Kelley to begin or continue their recruiting process!

ECJVC COMPETITIVE LEVELS

These athletes are expected to be our strongest players, competing against the best in the country. Teams will play through June at the AAU National Championships or the USAV National Championships if a bid is earned.
